

## Foreign Property Viewing Trips

Viewing trips are available through many reputable companies. We have searched the market to bring you some of the best, here you will find links to companies with UK representatives that can organise overseas property viewing trips.

If you are seriously interested in buying a foreign property as a holiday home or a rental investment the companies listed below can help put together a viewing trip to your chosen destination so that you view the types of property you are interested in. A viewing trip will ensure you do not waste your time looking at unsuitable property, it will also ensure that all the help and services you will require are there if you decide to buy or put a deposit down including:

- Legal advice and solicitors
  
  - Translators (if required)
  
  - Organised transport and meetings with agents or vendors
- Property Viewing Trips

We Love the Sun Properties Abroad a UK based company associated with developers in many countries. Register for great property deals, arrange viewing trips to Bulgaria, Cape Verde, Cyprus, France, Spain, Portugal, Turkey to name but a few!

BulgariaForever.com specialises in marketing properties in Bulgaria. As we are independent we are able to market the widest selection of developments across Bulgaria
